Mindy and Ashley,  
Please let Andy know where the \$300k should be deposited. I understand that is for the Defense and Indemnification Agreement and is separate from the developer trust account.

Andy,  
We should also be receiving an additional \$80k wire that is to be deposited to the trust account 12-D-12-0185507.

Thanks,

Two wires showed up today; each for \$150,000.00.

Please let me know who these are to be applied into Accela.

Hi Rob,

I don't see yet the \$80K nor the \$300K wired funds from your client in today's WFB statement - we'll notify you if it is here on Monday.

Thank you,
